How Can I Reopen My Small Business?
Business Continuity - Steps to Reopen & Plan for Future Business Success

As Phase I of Governor Ron DeSantis’ Safe. Smart. Step-by-Step. reopening of Florida’s Economy begins on Monday, May 4, the Florida Chamber Small Business Council has developed a short video for small businesses preparing to reopen. This video will help small businesses answer important questions:

- What regulations and guidance is available to guide my business reopening?
- What are some best practices to keep employees and customers safe?
- How can my business innovate and adapt to the coronavirus pandemic?
- How can I protect my business and plan for future business disruptions due to pandemics or natural disasters?
