Palm Bay Seeks Participants for Summer Camp Survey

Palm Bay, FL - In light of the COVID-19 pandemic, Palm Bay Parks & Recreation Department staff are currently working on safe Day Camp options for this summer. To help them prepare and let them know what citizens are looking for this year, they are asking parents and families in Palm Bay to complete a quick survey. The short survey can be found at [www.pbfl.org/campsurvey](http://www.pbfl.org/campsurvey), and should only take a minute or two to complete. Feedback will be used to help determine if there is a need for day camps and how they can safely offer programs this summer. The survey will be available through May 15.
