Sponsoring a Greater Palm Bay Chamber Event is one of the most effective ways to ***gain visibility, credibility, and direct engagement*** *with a targeted audience of business and community leaders.*

- **Direct Exposure to Key Decision-Makers**
  Signature Chamber events attract Space Coast officials, corporate leaders, business owners, and entrepreneurs – making sponsorship a powerful way to present your company directly to the people who influence local business and economic growth.
- **Prominent Brand Recognition Before & During the Event**
  Sponsors are featured across multiple touchpoints, which include pre-event promotional campaigns and Chamber communications; Chamber website and social media exposure; on-screen recognition during the event presentation; and verbal recognition from the podium during the event. This ensures your brand is seen before, during and after the event.
- **Podium Time to Share Your Message**
  Many sponsorships include dedicated podium time to introduce and promote your business; share key services, initiatives, or announcements; positioning your company as a leader and supporter of the local business community.
- **On-Site Marketing & Display Opportunities**
  Sponsorships allow you to place marketing materials at each seat or at an Exhibitor Table to showcase products and services, and the opportunity to display a company banner. These features provide high-value, hands-on exposure to attendees throughout the event.
- **Enhanced Community Goodwill & Business Credibility**
  Supporting a Chamber event visibly demonstrates your company's commitment to the local business community, helping build trust, credibility, and long-term brand recognition among peers and prospects.

Let us put you in the forefront by developing effective marketing strategies!
